7. Naval Vessels

a. A submarine, [redacted], was berthed at designator F, [redacted]. A movie was being made in that area, and the submarine was used in the movie. The submarine then shifted to designator G where it remained [redacted].

25X1

25X1

[redacted], this submarine was nearly completed when Poland was attacked by Germany. Polish officers and crew escaped with the submarine, and the submarine was completed abroad. [redacted]

[redacted] there was a torpedo school in subject port and that torpedo practice was held outside the harbor entrance.

25X1

b. In the water along the wharf in Hafenbecken, [redacted]

[redacted] a harbor patrol boat, two small utility ships of a trawler-lighter type [redacted] a tug, two small PT boats, a patrol boat, and four large PT boats.

25X1

Utility vessels [redacted] were still berthed in the same place. However, the tug was gone, and in its place was a utility vessel [redacted]

c. [redacted] a Polish destroyer off HEL, [redacted] was on its way to the Baltic at about 10 knots [redacted] the Polish flag flying from this destroyer.

9.

10. Soviet Bloc Merchant Ships

a. At designator K a Soviet ship of six thousand tons deadweight was berthed. a Soviet freighter of three thousand tons deadweight departed. A Soviet tanker of 1 1/2 thousand tons deadweight, described as "not old but not new," had finished discharging and was cleaning tanks. up to 12 Polish vessels in subject port.

25X1

25X1

b. The Polish freighter DZIERZYNSKI was berthed at designator L.

25X1

This 1 1/2 thousand ton deadweight ship was built in Germany and sailed in the German merchant marine until it was sunk. It was raised after being on the bottom several years and renovated by the Poles and is now one of the largest ships in the Polish merchant marine. the ship is in perfect condition and that it had a good paint job. the USSR has been putting heavy pressure on Poland to turn this ship over to her. DZIERZYNSKI has engaged in trade with Red China for the last two years. vessel was lifting steel pipes varying in diameter from 4' to 12' for China.

25X1

25X1

observed several well-dressed Chinese who appeared to be businessmen aboard the DZIERZYNSKI. They seemed to be inspecting the cargo. saw these Chinese always alone and not in the company of Poles.

25X1

25X1

11. Miscellaneous

a. the Poles were friendly and courteous and manifested anti-Communist and anti-Soviet sentiments. the Poles were not pleased with their own government nor with their government's relations with the USSR. the churches in subject port appeared to operate freely and were crowded.
